Subject: Approval for Recruitment of Research Associate and Technical Assistant under DBT Project

The Department of Food Science and Technology proposes to recruit one Research Associate (01) and one Technical Assistant (01) under the DBT-sponsored research project entitled "Investigating Plant Proteins: Molecular and Functional Characterization and Novel Techniques for Development of Sustainable Meat Analogues", Sanction No. 102/IFD/SAN/2999/2026-27.

The proposed positions are as follows:

Position	No.	Qualification/Preferred Background	Emoluments	Tenure
Research Associate	01	Ph.D. in Food Technology/Food Processing/Food Engineering or relevant discipline; preference for experience in plant proteins, protein characterization, extrusion, meat analogues and food processing	₹58,000/- per month + HRA as per norms	2 years
Technical Assistant	01	Degree in Food Technology/Food Science/Food Processing/Biotechnology/Life Science or relevant discipline; preference for laboratory and equipment handling experience	₹30000/- per month consolidated	2 years

The appointments will be purely temporary for two years or till the completion of the project. It is requested to permit the advertisement through university website, newspaper and by sending circular to different universities through email. Candidates will be shortlisted based on their qualifications and relevant experience. Selection may be done through an online interview by a selection committee consisted of following:

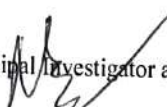

Committee:

1. Prof. Narpinder Singh (Principal Investigator and Chairman)
2. Dr Santosh S Saraf (Member)
3. Dr Pradeep Sharma (Member)
4. Dr Vinod Kumar (Member)
5. Dr Deepika Kathuria (Member)

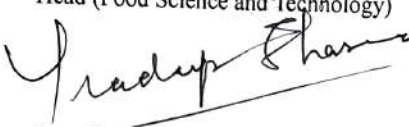

Approval is kindly solicited for:

1. Recruitment of 01 Research Associate and 01 Technical Assistant.
2. Constitution of the Selection Committee
3. Conduct of the selection process and appointment of the selected candidates as per DBT/University norms.

Submitted for kind approval, please.

 
Principal Investigator and Co-Principal Investigator

Registrar

Hon'ble Vice Chancellor for Approval

**ADVERTISEMENT FOR RESEARCH ASSOCIATE POSITION UNDER DBT
RESEARCH PROJECT**

Applications are invited from eligible candidates for one Research Associate (RA) position on a purely temporary basis under the Department of Biotechnology (DBT)-sanctioned research project entitled: **“Investigating Plant Proteins: Molecular and Functional Characterization and Novel Techniques for Development of Sustainable Meat Analogues”** in the Department of Food Science and Technology, Graphic era (Deemed to be university), Dehradun-248002, Uttarakhand.

Position: Research Associate – 01

Essential Qualification: Ph.D. in Food Technology/Food Processing/Food Engineering or a relevant discipline. Candidates having research experience during Ph.D./Postdoctoral research in plant proteins, protein characterization, food processing, extrusion technology, meat analogues, or related areas will be preferred.

Emoluments: ₹58,000/- per month + HRA as per Institute norms.

Age Limit: Maximum 40 years as on the last date of application. Age relaxation of up to 5 years for SC/ST/Women candidates and 3 years for OBC candidates will be applicable as per norms.

Tenure: The position is purely temporary for 2 years.

Interview: Online – 15 October 2026 at 12:00 noon

Last Date for Application: 13 October 2026

Interested candidates may send their detailed CV mentioning educational qualifications, research experience, publications, and contact details to:
deepikakathuria.fst@geu.ac.in

Candidates having NET and relevant research experience during their Ph.D. will be preferred. Kindly note that we are unable to provide TA/DA for attending the interview in person. The position is purely temporary and does not confer any claim for regular appointment at the University.

Principal Investigator: Prof. Narpinder Singh

Co-Principal Investigator: Dr Deepika Kathuria

ADVERTISEMENT FOR THE POSITION OF TECHNICAL ASSISTANT

Applications are invited from eligible candidates for one Technical Assistant (01) position on a purely temporary basis under the Department of Biotechnology (DBT)-sanctioned research project entitled **“Investigating Plant Proteins: Molecular and Functional Characterization and Novel Techniques for Development of Sustainable Meat Analogues”** in the Department of Food Science and Technology, Graphic era (Deemed to be university), Dehradun-248002, Uttarakhand.

Position: Technical Assistant – 01

Qualification: Bachelor degree in Food Technology/Food Science/Food Processing/Biotechnology/Life Science or relevant discipline. Candidates having practical experience in laboratory work, sample preparation, analytical techniques, or handling of laboratory equipment will be preferred.

Emoluments: Rs 30,000/- consolidated.

Age Limit: As per applicable DBT/University norms.

Tenure: The position is purely temporary for two years

Interview: Online – 15 October 2026 at 2:30 pm
