DST-INSPIRE INTERNSHIP SCIENCE CAMP

(Innovation in Science Pursuit of Inspired Research)

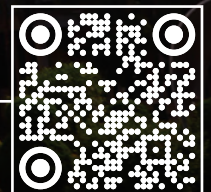

18-22 November, 2024

INNOVATION IN SCIENCE PURSUIT FOR INSPIRE RESEARCH (INSPIRE)

Inspire is one of the innovative programs by the Department of Science & Technology for the attraction of talent to science. The basic objective of INSPIRE is to communicate to the youth population of the country the excitements of creative pursuit of science and attract talent to the study of science at an early stage and build the required critical human resources pool for strengthening and expanding the Science & Technology system and R&D base.

INSPIRE INTERNSHIP

Inspire a component of "Scheme for Early Attraction of Talents for Science (SEATS)" under the INSPIRE Program is the enrolment increasing phase. In this component of SEATS, student would be selected for summer winter camps on an annual basis to provide an opportunity for students to interact with global Leaders in Science to experience the joy of innovations on an annual basis through INSPIRE internship. Annually 50,000 students who are among top one percent in their X Board Examination and pursuing science in standard XI would be benefited through summer /winter camp. These camps would nourish the curiosity of children in sciences; help them to think out of the box and attract the students at an early age of 16-17 years (i.e. in XI standard) to pursue a research career.

ABOUT GEU

Graphic Era Deemed to be University (GEU) has firmly established itself as a beacon of excellence in higher education, celebrating 32 remarkable years of growth, innovation, and academic leadership. Situated in the state of Uttarakhand, GEU has consistently earned recognition for its unwavering commitment to quality education and research. Approved by the All India Council for Technical Education (AICTE) and accredited with an A+ grade by the National Assessment and Accreditation Council (NAAC), the University stands at the forefront of higher education institutions in India.

One of GEU's most significant achievements is the accreditation of seven of its programs by the National Board of Accreditation (NBA). This distinction, coupled with the University's consistent ranking among the top 100 institutions in India for five consecutive years, speaks volumes about its academic prowess. In 2024, Graphic Era was ranked 52 in both the University and Engineering categories and 59 in the Management category by the National Institutional Ranking Framework (NIRF), Ministry of Education, Government of India. The University's commitment to quality education has been further validated by its Diamond rating from QS I-Gauge in 2024.

DST-INSPIRE INTERNSHIP SCIENCE CAMP

(Innovation in Science Pursuit of Inspired Research)

18-22 November, 2024

RENOWNED SPEAKERS | DISTINGUISHED ACADEMICIANS

Dr Srivari Chandrasekhar

FNASc., FASc., FNA.,
Former Secretary, DST and
SERB J C Bose National Fellow
CSIR-Indian Institute of
Chemical Technology

Prof. (Dr.) Venugopal Achanta

Director CSIR- National Physical
Laboratory

Dr. Sridevi Annapurna Singh

Director CSIR-Central Food
Technological Research Institute
Mysuru, Karanataka

Prof. Avinash Khare

FNA, NASI
Former Vice Chancellor,
Central University of Sikkim

Prof. Narpinder Singh

FRSC, FAACC, FNA, FNASc,
FNAAS, FAFST(I), FPAS,
JC Bose National Fellow
Vice Chancellor, Graphic Era
(Deemed to be University),
Dehradun

Prof. (Dr.) Gufran Beig

FNA, FIASc., Shanti Swaroop
Bhatnagar Awardee
Indian Institute of Tropical
Meteorology
National Center for Advanced
Studies, IISc, Bengaluru

Prof. D.C. Srivastava

FIASc, FNASc.
JC Bose National Fellow,
Professor, Earth Science,
IIT Roorkee

Prof. K.K. Bhasin

Ph.D., F.N.A.Sc.
Emeritus Professor
Punjab University

Prof. Dinesh Khurana

FNASc
Punjab University,
Chandigarh

Prof. Madhu Jain

Professor, Mathematics,
IIT Roorkee
